FOR IMMEDIATE RELEASE

Community Center debuts touch screen kiosk that allows users to search for classes and see Village's latest events and news

Pinecrest, Fla. – The Pinecrest Community Center is a state-of-the-art facility that offers innovative classes taught by some of the area's most well-known instructors. To enhance the center's communications program, a touch screen kiosk is now available at the left of the main entrance.

One can search for class schedules, upcoming events, see the Village's latest Facebook activity and learn more about elected officials.

Summer is around the corner. Get fit, enroll your child in one of our specialty camps or take up a new hobby.

The Community Center offers something for everyone. There are Mommy and Me, and exercise classes that incorporate the use of baby strollers. Youths and teens can take up fencing, hip-hop or karate. Adults can learn to line dance, take a Spinning class or do Pilates. There are continuing education classes that include photography and watercolor painting. And there is a lecture series and exercise program tailored for seniors.

The center also offers some of the most popular summer camp programs in Miami-Dade County. They include Pure Dance Camp, Black Panther Karate Camp and a health-focused FiT2Play Camp. Funcamps will also offer JurrasiCamp, MagiCamp and Amazing Science and Space Camp.

Call 305-284-0900 for a complete list and descriptions of classes offered in the Community Center or visit www.pinecrestcommunitycenter.com.
