FOR IMMEDIATE RELEASE

Delays, lane shifts and lane closures with detours along Southwest 67th Avenue

Pinecrest, FL – There will be significant construction along Southwest 67th Avenue (Ludlam Road) from Kendall Drive to Southwest 90th Street starting Monday, January 18th through Friday, February 5th.

Construction will occur during night time hours between 8:00 p.m. and 5:00 a.m. and during the daytime between 10:00 a.m. and 5:00 p.m. Motorists should expect minor delays, some lane shifts and lane closures with detours.

It is expected that a northbound lane closure will occur approximately on February 1st for a four day period along Southwest 67th Avenue approximately 350 feet south of the Kendall Drive intersection. This northbound lane closure will require a traffic diversion/detour from northbound Southwest 67th Avenue to eastbound Southwest 92nd Street and then northbound on Southwest 63rd Court to the intersection of Southwest 63rd Court and Kendall Drive. No other lane closures or detours are anticipated.

The work involves utility/roadway construction related to a Miami-Dade Water Sewer residential permit. This is not a Pinecrest project. It is a private developer that has been required by the Miami-Dade Water and Sewer Department to install a sewer main.
